

MINION 72,
YOU STAND ACCUSED
OF SABOTAGING
PROJECT BRANNISTON
BY NOT FOLLOWING
PROPER CHECK-IN
PROCEDURES!

THAT PROJECT
WAS DOOMED! YOU'LL
NEVER GET BRAD
AND JENNIFER BACK
TOGETHER!

WHEN CHECKING IN
A CHANGE, YOU MUST
FOLLOW THE "HASSLE"
PROCEDURE--

--CHECK-IN,
UPDATE
YOUR TASK LIST,
START
A BUILD, TELL A
MANAGER.

I REALLY
THOUGHT THAT OUR
NEW BIG EXPENSIVE
ALM SOLUTION WOULD
HANDLE EVERYTHING
FOR ME AFTER I
CHECKED IN MY
CHANGE.

WHAT!?!
ALL OF THE
PROGRAMS CAME
ON THE SAME CD.
THEY **MUST** BE
INTEGRATED!

IF ONLY WE
HAD PURCHASED
**SOURCEGEAR
FORTRESS--**

--I WONDER
IF I CAN GET
CABLE IN
HERE?

Are you constantly forgetting things
because your team tools are not well integrated?

Try **SourceGear FORTRESS**, the ALM solution for
small and midsize teams. Visit our website, download the
product and begin your fully functional 30-day evaluation
today.

With **SourceGear FORTRESS** as your truly integrated
solution, your project will be safe from harm, even if three
super-villains in black leather show up.
